SUBJECT: GLOBAL INITIATIVE - DETECTION ARCHITECTURE  
DOCUMENT DELIVERY

REF: SECSTATE 156602

[1](#)1. Post delivered reftel document to Assistant Minister of Foreign Affairs Pjer Simunovic November 20 and he repeated GoC support for the Global Initiative. Just ahead of November 25 Parliamentary elections, he was unable to name a definitive POC or commit to attendance at the proposed January workshop. Post will engage on this issue again when a new Minister of Foreign Affairs is in place, which could take several weeks.
